

Hello Everyone

Croft 2021 is due to take place Saturday 12th June. Under current covid regulations, this would restrict the event to max 100 people, 65 competitors and the rest to run the event. Following today's news, there is hope that from the 24th may this will be increased to 500.

IF this is the case, then croft will be able to have a maximum entry plus a reserve list. I have been speaking to the organising club this evening. Entry's will open on rallyscore this coming TUESDAY at 8PM so this is your warning if you wish to take part you need to be submitting an entry quickly. Usually, this event sells out very quickly, and with the current circumstances, the entries will go even quicker.

If the restrictions on the 24th may do NOT allow more than 100 we will be forced to reduce the entry numbers down to allow the event to run, if this is the case then the event will be non-championship.

I hope you all understand the situation we are in, both from a championship and a organising club, we can only do our best with the information we have at any current time.

On a personal note, I will be very happy to see our Hillclimb championship up and running again. It has been too long!

Thanks
